Dear Family Choice Providers:

Family Choice Medical Group has received face shields courtesy of Supervisor Andrew Do. We are working with Supervisor Andrew Do's office for additional Personal Protective Equipment (PPE) such as face masks, gowns, and COVID-19 test kits. The face shields are available for Providers upon request in the event of providing COVID-19 test to all FCMG senior members.

We appreciate your dedication and commitment to Family Choice patients during these difficult times. As always, please feel free to contact Family Choice Medical Group to obtain your face shields.

Sincerely,
